Newlin Grist Mill invites you to become a corporate sponsor of our inaugural Run For the Mill 5K Trail Run on October 28. This event will be held on the grounds of Newlin Grist Mill and will provide a challenging yet fun trail run through our 160-acre park. The race will begin at 9:00am, followed by a one mile walk. The event will conclude with a kid’s fun-dash. Funds from this event will go toward the rebuilding of the waterwheel that powers our 1704 Grist Mill.

Newlin Grist Mill is a non-profit historical and environmental treasure in Concord Township. Our 160-acres of open space and nature preserve is home to a wide variety of native plants and animals, and is freely accessible to the members of our community year round. The Grist Mill was built in 1704 and is maintained as a museum – still grinding corn today! Each year, over 46,000 people visit the historic site and park for programs, events, and recreation.

Since 1960, Newlin Grist Mill has been serving the region with our mission to preserve our historical buildings and open space for the pleasure and education of the public. Your sponsorship will help to ensure the milling history of Newlin Grist Mill remains alive and active for the benefit of our community members, today and into the future.

Thank you for considering a sponsorship to support Newlin Grist Mill! Please contact Brenda Orso at 610-459-8709 or borso@newlingristmill.org if you have any question or need additional information.

Sincerely,

Brenda Orso
Development Manager
